

EDUCATION

University of North Carolina at Chapel Hill – GPA 3.95/4.00, Dean's List All Semesters Expected May 2028
B.S., Neuroscience; B.S., Statistics & Analytics; Risk Management Minor

- *Certifications:* CITI Social and Behavioral Research, CITI Biomedical Research, Mental Health First Aid, Basic Life Support for Healthcare Providers, CPI Blue Card: Verbal Intervention
- *Skills:* Scientific Communication, Python Programming, Childcare, Customer Service, Data Collection

Honors and Awards

- Science National Honor Scholarship Recipient 2024
- National Merit Scholarship Finalist 2024
- AFHS Outstanding Student in Science 2024
- Notable Narratives Scholarship Recipient 2024

EXPERIENCE

Undergraduate Researcher – Chapel Hill, NC August 2025 – December 2025

UNC Department of Neuroscience & Psychology

- Preprocessed and analyzed EEG data from 27 participants using MNE-Python, including epoching and artifact rejection
- Engineered neural and demographic features and applied dimensionality reduction to build a machine learning classifier predicting memory recognition states with 71% accuracy
- Identified significant differences in brain activity between recognition states, solidifying the neural basis of memory

Patient Sitter – Chapel Hill, NC

January 2025 – August 2025

UNC Medical Center Float Pool

- Monitored high-risk patients of all ages; documented behavioral changes, fall risks, seizure activity, and suicidal ideation
- Assisted patients with dementia in daily activities and provided emotional support throughout their hospital stay
- Collaborated with a rotating interprofessional healthcare team to ensure continuity and accuracy in patient care

Undergraduate Research Assistant – Chapel Hill, NC

August 2024 – May 2025

Peabody School of Education: NC Life Study

- Promoted community engagement with the School of Education to aggregate data on social factors contributing to health behavior and outcomes, including bullying, gender and race violence, relationship violence, and substance use
- Performed outreach and data entry for a subject base of 8000+ participants from rural NC to conclude the data collection phase

Babysitter – Apex, NC

August 2024 – July 2025

Self-Employed

- Provided sole care for two children (ages 2 and 4) during full-day shifts, managing all daily routines including meals, hygiene, and nap schedules
- Facilitated age-appropriate outdoor activities and monitored screen time to support healthy development
- Maintained a safe, structured, and calm environment, adapting to each child's developmental needs

COMMUNITY INVOLVEMENT

Carolina Scientific Magazine (100 hours)

August 2024 – Present

Design Chair, Incoming Editor-in-Chief

- Managing a staff of 15 designers; assigning tasks, delegating articles, revising 30+ articles, and leading skills workshops
- Assembling the 100-page final proof for publication: 300+ copies distributed across the undergraduate campus

Carolina Across 100 (50 hours)

January 2026 – Present

NC Impact Fellow

- Compiling and visualizing data in **Tableau** from recent research and medical journalism on NC's youth mental health deficits
- Gamifying peer-to-peer understanding of youth mental health in **Canva** to foster connection and empathy among NC youth

STEAMHEALS 501(c)(3) (60 hours)

August 2024 – December 2025

Neuroscience Curriculum Designer and Educator

- Trained 30+ volunteers to teach neuroscience fundamentals to 800+ students in 10+ Orange County schools & libraries
- Designed 3 accessible, engaging lessons on nervous system structure, development, and research on a <\$200 budget
